### **FOR IMMEDIATE RELEASE**

**Servando Garcia**

*Expanding Inward*

November 2-30, 2008

Julius Caesar is pleased to announce *Expanding Inward* by Servando Garcia. The artist has provided the following statement for release:

The work in this show was made this year, in 2008. With the exception of a few paintings which look back at Chicago, the work reflects my life in the central coast of California where I currently live. I think of painting as the creation and exploration of space, and that space as substance that is absorptive, and expressive of subjectivity. I identify my subjects and motifs as metaphors for this dynamic. The experience of seeing my daughter scream at her own birth, or the reverie of looking at the configuration of my refrigerator, embodies the nature of what I do.

The exhibition will be on view from November 2<sup>nd</sup> - November 30<sup>th</sup>, 2008.

An opening reception will be held for the artist at the gallery on November 2<sup>nd</sup>, from 4-7PM.
